Fri. Feb. 9th ~ Mon. Feb. 12th		Public display of snow sculptures will be lit up at night.

2. Competition Area

- Minami Hiroba (Nishi 2, Minami 9, Nayoro City)

3. Eligibility

- Only 10 teams will be accepted to participate. Should more than 10 teams apply, organizers will reserve the right to determine which teams will be accepted.
- Each team will consist of three sculptors. Excluding student teams, at least two of the three sculptors must be professional and must have competed in a snow sculpting competition/contest.

4. Guidelines/Tools

- Each team will be provided with snow block, measuring 3m×3m×3m.
- Only the original volume of snow may be utilized.
- The team can extend their snow block on 4 sides to a maximum 50cm, and on the top by up to 1m using the part of the original snow block you are provided.
- The sculpture must be made only of snow.
- Water or other materials are not allowed to be used.
- Reinforcement or support inside/outside of the sculpture is not permitted.
- Use of electrical machinery is forbidden.
- Each team will be provided with 3 snow shovels, one snow scoop, one ladder, one set of scaffolds.
- Sculptors must supply their own tools for carving and finishing.
- Sculptors are responsible for managing the tools and clearing debris around their snow block.
- The block of snow shall be used entirely and be sculpted on all 4 sides.
- It is not permitted to revise the design of the sculpture once it has been accepted for competition.
- The competition will take place regardless of weather conditions.
- The competition starts Wednesday, Feb. 7th at 8:00am and ends Saturday, Feb. 10th at 9:00am.
- Organizers reserve the right to stop the production or remove any snow sculpture that is deemed a safety hazard to the public or other participants.
- Organizers retain exclusive rights to the sculpture and may use any photographs, videos, or reproductions for commercial purposes.

5. Theme

- Free of choice

6. Captain's Meeting

- The Team Captain will represent the team and act as the teams' liaison.
- Any rule changes or updates will always be made at the captain's meeting.

7. Climate/Temperature/Snow

- Low humidity in winter.
- The temperature varies from about -5 °C to -25 °C
- Natural snow, fine and high quality.

8. Responsibility/Violation

- The organizers are not liable for any injuries or accidents during the competition. For this reason and as a precaution, each participant will need to have life insurance.
- Any infraction of the regulations by a team member may lead to the team's disqualification. The organizing committee will make the final decision.
- The organizers are not liable for any theft, losses, or damages incurred during the event.

9. Judging

- Each of the judges shall be fair and impartial to each countries/teams in making decisions.
- The judges have the final word and only completed sculptures are eligible to be judged. For safety reasons, the immediate surrounding area of the sculpture will be off-limits; therefore judging will be based only on the appearance of the sculpture.
- The judges will consider the following criteria in making their decision:
 1. amount of snow used
 2. originality
 3. creativity
 4. technique/craftsmanship
 5. sculpture's overall impression

- If tools or remaining snow debris are not removed, points may be deducted at the time of judging.

10. Prizes

- First/ Second /Third prize.
- Artist's choice prize.
- Public's choice prize.

11. Expenses and accommodation

- The organizers will provide 4 free nights in Nayoro from Feb.6th to Feb.9th. Checkout on Feb.10th
- Participants need to pay for extra nights if they'd like to stay longer plus whatever meals are not provided.
- Sponsors will award for expenses of 60000yen per competitor for overseas team, 40000yen per competitor for national team residing outside of Hokkaido, 20000yen per competitor residing in Hokkaido and 10000yen per competitor residing in Nayoro.
- **Expenses will be paid after registrations are completed in Nayoro.**
- These expenses can be used to help you with your airfare, transportation, as well as the cost of your meals during the competition. Please be mindful and understand that teams traveling from overseas will need to take a train or bus from airport to Nayoro which will require additional expenses.
- Breakfast will be served throughout the competition by the organizers. Sponsors of the event may possibly provide lunch and dinner. However, if none is provided, you will need to acquire your own meals.
- As a precaution, please be responsible if you are a vegetarian or have any allergic reactions to certain food.

12. Deadline for Applications

- All the required documents must be received by November 2nd 2017 by 5pm.
- Required Documents
 - Application Form
 - The resume of each team member
 - 4 dimensional drawing or image of the proposed sculpture.
 - Title and the description of the sculpture
 - Written confirmation that the proposed sculpture has never before been produced in snow.
